

PUT These Verses:

In your windows: a REMINDER that God's light enters the home through his word.

In your car: Take God with you wherever you go.

Just above your doorknobs: so your children know that His word opens the door to him.

In your child's pocket as they leave for school: giving them the feeling/reminder that God is with them.

Taped to the back of your tv controller: and on your computer screen.

Inside your cupboards: so it is a surprise each time you open the door.

In a bowl on the table: to share when your children have a need or to offer their friends "One for the Road".

Putting God's word ON DISPLAY in the home is in fact a command. It is the second half of the greatest commandment; "Love the Lord your God with all of your heart, all of your mind, all of your strength. AND.... The four verses following the AND are God's commands to parents. "And you shall teach them diligently to your children, **and** shall talk of them when you sit in your house, **and** when you walk by the way, **and** when you lie down, **and** when you rise. You shall bind them as a sign on your hand, **and** they shall be as frontlets between your eyes. You shall write them on the doorposts of your house **and** on your gates.

Being SURROUNDED DAILY by Bible verses is **something our children will remember all their lives. Best of all is a bedside Bible calendar. Each child sees a verse first thing in the morning and last thing at night and prays with a parent for God to move the verse from their mind to their heart.**
