

A decorative cross shape formed by an open book in the center. The book is white with a black outline and a grey shadow on the right side. The text is centered on the pages. The cross arms are filled with intricate, symmetrical black line art patterns. The top and bottom arms feature a central vertical element with a pointed top and a pointed bottom, flanked by curved, scroll-like shapes. The left and right arms feature a central horizontal element with a pointed left and a pointed right, flanked by curved, scroll-like shapes.
