

Prayer Request Grant(s)

This week and next we will be considered for a number of small grants to give away free coloring books. Hope you might pray especially for funding for giveaways in Chicago and Indianapolis??

Pray for Kenton Fritz?? Fifty years ago I was his child care worker and he still calls when he is in trouble. He is moving out of sheltered living where he has lived for over ten years. He is off his meds and headed for trouble and I don't know how to help.

Pray for no problems with printing our 100,000 coloring books?? The biggest problem is the TIME Pressure and getting a good proof to start printing. Pray Jesus help Debbie at Kopco printing get a good proof?
