## Parent Guide for "Divorce" Coloring Pages

**Dear Parent/Grandparent:** The male child of divorce loses four to ten years off his life expectancy. The female child loses 2.4 to 4 years. This is the bad news. The good news is that deep personal faith combined with regular church attendance reverses this loss of life and restores the children of divorce to a normal life expectancy, academic proficiency and emotional balance.

Nearly sixty percent of our nations children will need these bible verses before they reach age 18. How we pray parents and churches alike realize just how harmful divorce is to children and visit [www.bibleparent.com/divorce.html](http://www.bibleparent.com/divorce.html). For the full set of 30 coloring pages see your Sunday School teacher or visit [www.bibleparent.com](http://www.bibleparent.com). How we pray that as you color this set of coloring pages with your children and God himself keeps you all safe and healthy. **Enjoy the special resource pages for Mom's and Dad's.**

For the next few weeks we will be sending home a coloring page focusing on scriptures that are a special help to the children of divorce. We hope you will color them with your child and put them on display in your home.
