Parent Guide for "The Holy Spirit" Coloring Pages

Dear Parent/Grandparent: The one thing that makes Christianity different than any other religion on the face of the earth is the presence of The Holy Spirit in our hearts. Even scripture is meaningless unless God The Holy Spirit opens our understanding. Just as important as His role in guiding each of us to salvation is the daily comfort He provides as we live out our new life.

For a complete set of coloring pages see your Sunday School teacher or visit www.bibleparent.com and click on special coloring pages, then Holy Spirit.

Without an ever increasing sensitivity to The Holy Spirit there is no fruit, no love, joy, peace, longsuffering, gentleness, goodness, faith, meekness, or temperance. It is the presence of the Holy Spirit in our hearts that draws our children to us and leads them to trust us. It is the presence of the Holy Spirit in their hearts that makes it such a joy to share a house with them. If there is one thing that will keep your family strong, healthy and filled with love it is getting to know The Holy Spirit on a minute by minute basis.

For the next few weeks we will be sending home a coloring page focusing on our need to be sensitive to the Holy Spirit. **We hope you will color them with your child, put them on display in your home and trust The Holy Spirit to make them LIVE. The mirror coloring pages are a special effort to help children understand the CONNECTION between the Holy Spirit and scripture. Just as we need the mirror to help our eyes understand, we need God's Holy Spirit to help our hearts understand.**
